Good weather will soon set in and you will want to paint your house, and when you do, use pure paints, not some cheap article that will "peel" or "chalk" off in a few months. Hubbucks White lead Zinc, and Pale Boiled Oil, have stood the test in these islands for years, and the Notice to Consumers. quality to-day is as good as when it was first introduced. We get these Paints and Oils direct from Hubbuck & Son, and thus know that they are genuine. We also keep Hubbuck's Green, Yellow, Black, Oxide and Mast Color in

We have a few shells loaded with 'Walsrode" powder, a very strong powder that has been adopted for warfare by three great nations (not including the P. G.) It is said to be the most reliable of all smokeless powders and very safe in any well made gun. The charges are in bulk one third of any other powder, and is "guaranteed good for five years in any climate damp or dry,' If you are interested in the numerous Rifle Matches or enjoy largest practice either with Rifle or Revolver use U.M.C., cartridges for best results; 50 out of a possible 50 can be made with this brand, provided the rifle, and the man are in good order. We have all sizes of U.M. C., cartridges from 22 to 56 cal.
